Parking

Please car share with friends and clubmates where possible.

From 0745, members of CLC Striders will be helping runners find suitable car parking.

We will be using the car parks at Elmstone Business Park as well as A2B Removals on Stanboro Lane (before The Gloucester Old Spot if travelling from Cheltenham).

Drivers approaching from Cheltenham will initially be directed to park in Stanboro Lane. There is a short walk of up to 500m from this parking area to Race HQ. Please use the footpath for your own safety.

Pre-race

Please only use Boddington Lane for your warm-up runs.

The A4019 Tewkesbury Road and the road past the Elmstone Business Park are very busy, even on a Sunday morning, and not a safe location for running.

A safe route will be marked from the Race HQ to the start line. Please use the crossing point provided for your own safety.

Please make your way to the start line in time for the 0850 briefing and prompt race start at 0900. Any items left at the start will be taken to the finish area for collection post-race.

Course

It's a four-lap course.

Starting at the top of Boddington Lane, it heads towards Boddington and then does four (4) laps of Boddington/Barrow, finishing back on Boddington Lane outside the premises of Robert Hitchings.

Please note: there is a short 200m out-and-back section on the 1st lap only.

The entire route will be clearly signed and marshalled. Please note that road closures have not been applied for, so keep well to the left at all times (unless directed otherwise).

A water station will be passed at approx 2, 4, 6 & 8 miles.

Post-race

Clavell & Hind Taproom GL51 9SY

Free drink for all race participants

Toilets available

Prize presentation from 11:15–11:45
